

To the folks at Swezey Fuel Co.,

We recently had a Buderus oil fired heating unit installed in our home by your company.

Writing testimonials isn't something we often do, however we believe that exceptional service, a rare phenomenon on these days, should be commended.

The entire process, from selection and ordering with Kent and Lou to the installation by Kevin, Nicky, John and Gene, was a very positive experience.

The men arrived as scheduled, completed the job in a timely manner and cleaned up very well afterwards.

We'd never hesitate to recommend Swezey Fuel Co. to our neighbors, family and friends.

Thanks for a job well done.
